In the Eastern Cape, an Intergovernmental Communicators Forum (IGCF) was established and is coordinated by the Office of the Premier, GCIS and SALGA-EC. Communicators from provincial departments, state/Municipal Owned Enterprises and district/metro municipalities are represented in the forum. The objective of the forum is to coordinate government progress and achievements.

Information about local government issues and best practices are disseminated amongst municipalities in this forum.

A District Communicators Forum (DCF) was established in 2002 by the Amathole District Municipality (ADM). Communicators and communication portfolio heads as well as community development workers from all the local municipalities, and communicators from government departments in the district are invited to attend.
