- Contact the Fire Brigade control room.
- Report to the police if any person has been left behind or been taken hostage.
- Do not evacuate.
- Remain in doors and take shelter.
- Stay away from windows and doors.
- Remain in a secure place, depending on the circumstances, until it is considered safe by the police to leave.

## **m) In an event of armed robbery:**

- Employees must stay calm.
- Keep a low profile.
- Avoid conflict and do as you are told.
- Do not sound any warning alarm.
- Do not turn your back to the robbers and do not let them psychologically dominate you.
- When possible, phone the police and fire brigade control room.

## **n) NATURAL DISASTERS**

- Close windows and doors
- In the event that the roof is blown off, take shelter under or behind tables.
- Remain close to walls.
- If persons trapped, report to emergency services.
- Report all dangers, which are a threat to persons.
- First Aider to provide first-aid treatment.
- Under these circumstances, evacuation will take place on instruction.
- The senior manager/delegate must perform roll call after evacuation.
- Follow all instructions given by emergency services.

## **o) SECURITY**

- To log all evacuation reports received.
- To compare these reports with the day's attendance register.
- To direct emergency personnel to areas where employees reported missing or injured.
- To liaise closely with the senior manager/delegate.
- To maintain communication with the various evacuation points.

### 7.3 EMERGENCY ASSEMBLY POINTS

Emergency points have to be defined and demarcated as emergency assembly points and should be visible immediately from the exit point.

### 7.4 EVACUATION OF PERSONS WITH DISABILITIES

#### GENERAL EVACUATION PROCEDURES

In the event of emergency, everyone including persons with disabilities should observe the following procedures for evaluation:

- a) All able-bodied persons shall move towards the nearest marked exit door or stairways. **MAKE USE OF THE STAIRWAYS. DO NOT USE ANY ELEVATOR/LIFT.**
- b) Persons with disabilities must seek refuge near the closest exit stairway and request assistance from others. Do not obstruct the stairway or door leading to the stairway. If the location becomes unsafe, move to a different exit and call for help until rescued.
- c) Able-bodied persons should assist in the evacuation of the disabled. The assistance may be in the form of the following:
  - i. Familiarize yourself with the disabled persons who work and or routinely visit your working area.
  - ii. Ask persons with disabilities if they need help.
  - iii. Do not move the persons unless they have given you permission.
  - iv. Inform hearing impaired/deaf persons that they should evacuate.
  - v. Assist visually impaired/blind persons to an exit stairway.
  - vi. Assist wheelchair bound persons to locate the exit way.
  - vii. Inform security of disabled persons located inside the building that you are unable to evacuate safely.

## **8. GENERAL POLICY PROVISIONS**

### **a) FIRE DRILLS**

The purpose of a fire drill is to familiarize and re-enforce proper evacuation routes and practices. The goal is to have the proper actions be an automatic response whenever fire alarms sound, so that everyone safely evacuates the area in an orderly manner. Always take fire drills seriously and evacuate the building when the alarm sounds.

The senior manager corporate services/delegate shall:

- a) Ensure that drills are conducted twice in a year.
- b) Ensure that employees know how to evacuate their work areas and perform their fire drill duties in an emergency.
- c) Familiarize all employees with the location of the fire alarm and nearest fire extinguisher.
- d) Educate employees on how to operate fire extinguishers, (training of fire marshals) and fire hoses.
- e) Establish fire marshal's committee composed of health and safety committee members
- f) Recommend appointment of first aiders
- g) **NB.** The drill shall be known to the manager responsible only. No other person should know about the drill.

**Activities for drills simulate real fire scenario.**

## **9. PROCEDURE FOR IMPLEMENTING POLICY**

This policy will be implemented as per the outlined procedure and reviewed on annual basis.
