SECTION 1: DETAILS

Province:	Eastern Cape
Municipality:	Mbhashe Local Municipality

Project Manager:	M. Sibaca (Tourism Officer)

SECTION 2: BACKGROUND AND INTRODUCTION

The economy of Mbhashe shows great potential in the field of Agriculture and Agro-Processing, Small Scale Manufacturing and Construction, Tourism, Land & Housing and Marine economy. With the +/- 700 000 sheep in the municipality and the subsequent wool improvement programme has resulted in increased revenue on wool sales over the past year to R3m with plenty still not accounted for i.e. sales to non-accredited retailers. There is a clear case to increase manufacturing and agri-business related production to satisfy this import demand as well as growing demand in export markets.

Mbhashe's economic size is estimated to be R684 million. The economy grew by 14% over the period 1995 to 2008. Mbhashe Municipality's IDP lists Agriculture, tourism, construction, manufacturing sector, marine economy and retail as areas that have economic potential for this region. Social services and small enterprise development are other contributors to Mbhashe's GDP. However, the existing potential in these comparative and competitive advantages has yet to be realized. More needs to be invested in unleashing this potential for LED benefits.

It is therefore against this backdrop that reviewal of Tourism and Investment Brochure serves as an agenda-setting initiative where the municipality reaffirms its commitment to promote socio-economic development within its jurisdiction for the purpose of stimulating the local economy through lobbying of investment.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This MLMBidding Document (**MBD**) must form part of all bids[1] invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).[2] Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

4a. take all reasonable steps to prevent such abuse;

b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and

c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This **MBD** serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

[1] ***Includes price quotations, advertised competitive bids, limited bids and proposals.***

[2] ***Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete***
